Honorable Gabriel Hauge
Administrative Assistant
to the President
The White House
Washington, D. C.

Dear Gabe:

I thought you might be amused in the attached letter which I have recently received from the once famous financial wizard of Germany, Dr. Hjalmer Schacht. The Doctor's reputation for frankness is clearly expressed in the first paragraph.

	I	do	not	propose	to	make	any	answer	to
this	letter	,							

Sincerely,
